

KI Campus Ostbayern: AI-Talk for PhDs and doctoral candidates

Date: Wednesday, 27th of November 2024, 2:00 - 5:30 p.m.

Venue: OTH Regensburg, E105

Are you working on your PhD in the field of artificial intelligence? Are you looking for an opportunity to connect with other doctoral students and discuss your dissertation projects? Do you want to expand your network within the AI community? Then the "AI-Talk for PhD students" is the perfect event for you.

Join us at our networking event on November 27, 2024, designed for doctoral students pursuing their PhD in the field of artificial intelligence at universities in eastern Bavaria. During this event, current AI dissertation projects will be presented and discussed. Following the presentations, you will have the opportunity to network and explore collaboration possibilities within the KI Campus Ostbayern. We look forward to welcoming you to this event!

KI Campus Ostbayern
AI-Talk for PhDs and doctoral candidates

Invitation
27th of November 2024

2:00 - 5:30 p.m.

Participation in the event is free of charge and the registration is open from now on.

KICO
KI Campus Ostbayern

At the AI-Talk of the KI Campus Ostbayern you will learn more about current PhD projects in the field of artificial intelligence, connect with PhD students, and expand your network to AI experts based at the Eastern Bavarian universities.

The graphic is a vertical rectangular layout. The top left section has a dark blue background with white text. The middle section features a central image of a human hand and a blue robotic hand reaching towards each other, surrounded by glowing digital particles and circuit-like patterns. The bottom left section has a dark blue background with white text. The right side of the graphic is a light grey background with black and blue text. At the bottom right, there is a smaller version of the KICO logo.

Venue

The event will take place at the OTH Regensburg (address: Galgenbergstraße 30, 93053 Regensburg). Room: E105.

Registration

Participation in the event is free of charge, but registration is required for organizational reasons. Please register via the link provided at the bottom of the [event page](#).
